

The municipal network of kindergartens for the school year 2009/2010 includes: 2 full-day kindergartens, 3 united child care centers

United children care center No.2 „Nezabravka”	105
United children care center No.3 „Detelina”	100
United children care center „Zdravets”	100
Full-day kindergarten „Pchelitsa”- Sofrievops	54
Full-day kindergarten -- Lipnitsa	13

The name of kindergartens corresponds to the number of under school age children. It provides a real opportunity for each child of the municipality to attend kindergarten in the settlements he lives. The capacity is for about 500 children. All kindergartens have their own building, good facilities and offer a variety of modern forms of organization of the teaching process.
