

1. Organizational status of the local commission.

The local commission for tackling anti-social behaviour of underage and minor persons has a legitimate character - pursuant to art.6 of Control of Juvenile Anti-social Behaviour Act. The Local Commission operates on the grounds of Order No. 177/ 27.03.2009 by the Mayor of municipality of Mizia . It consists of 10 members - representatives of the municipal administration, Chief specialist for education, headmasters, pedagogues, a social worker , a representative of the police. The local commission for tackling anti-social behaviour of underage and minor persons is a municipal structure created and operating under of Control of Juvenile Anti-social Behaviour Act. A Chairman of the commission is the deputy mayor. The current issues between the commission meetings are solved by operative board consisting of 5 members. During the year are held five meetings with concrete agenda, reflecting the activity of the commission, the implementation of the decisions taken and the results of the implemented innovative practices.

The local commission for tackling anti-social behaviour of underage and minor persons carries out and coordinates the social and preventive activities on the territory of the municipality in respect to underage and minor persons, initiates programmes to combat anti-social behaviour, establishes subsidiary bodies, cooperates with all institutions, working with and for children, maintains contacts with legal protection and jurisdiction authorities.
